What is the Common Library?

The Common Library is a library of commonly used procedures within the Management Information Retrieval System (MIRS). The procedures are written and maintained by the MIRS Consultants according to the reporting needs of MIRS end users.

MIRS end users are able to copy procedures from the Common Library to their personal library or their department library. Only procedures that have been copied to a personal or department library can be modified by MIRS end users. Only MIRS Consultants can make modifications to procedures in the Common Library.

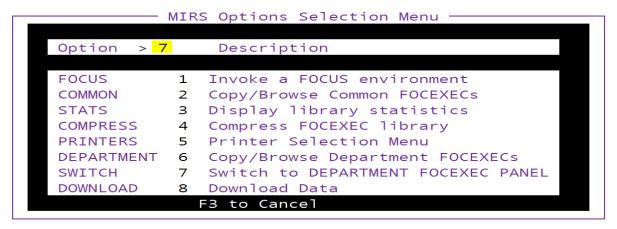

The MIRS Common Library Guide is intended for use by MIRS end users.
